# Elegant Collection

*“The tone of wood”*

Dyed veneer for interior spaces

Yên Lâm Veneer - Elegant Collection is a collection of most favorite dyed veneer imported from Italy.

Dyed veneer is a natural wood veneer that has been dyed through with a special technology that preserves the natural beauty and grain of the wood.

Whether you are looking for furniture, interior design, automotive, or marine applications, our Dyed veneer will add a touch of elegance and style to your creations.

Listen to the stories of wood through the colors and grain of wood veneer in Elegant Collection.
